

REMARKS

The Office Action dated March 26, 2002 has been carefully reviewed.

Claims 1 and 4-32 are pending in this patent application. By this amendment, claims 24, 28, and 32 have been amended. Reconsideration of this application, as amended, is respectfully requested.

Allowed Claims

Technology Center 2100

Claims 1 and 4-32 were indicated to be in condition for allowance except for a minor informality in each of claims 24, 28, and 32. Each of claims 24, 28, and 32 has been amended to correct such informality. A version with markings showing changes made to claims 24, 28, and 32 is included herewith in the "Attachment". As a result, claims 1 and 4-32 are believed to be in proper form.

Conclusion

In view of the foregoing amendments and remarks, it is submitted that this application is in condition for allowance. Action to that end is hereby solicited.

Respectfully submitted,

A handwritten signature in black ink that reads "Paul J. Maginot".
